Hebron News Update

Tuesday 26th March

Join us this Sunday if you can, as we celebrate Easter together: in the morning service at 11am Jonny will be speaking on the Resurrection account in Luke 24. Remember that you can come early to join the weekly prayer meeting in the side hall at 10.30am. In the evening at 6.30pm Willie will be looking at the topic of Propitiation in our "Aspects of the Cross" series.

On Sunday evening just past, we had a glitch in our big screen at church (we have it on good authority that all is well again now!) Fortunately the tv screens at the sides were still working so we were able to follow Jonny's slides as he spoke on "Substitution" but we have attached the slides here for any who want a better look at the breakdown of the "scenes" surrounding the night Jesus was arrested. (The slides are also available on the website when you link through to listen to the sermon.)

All mid-week activities will be taking a two-week break while the schools are on holiday, returning to normal in the week of 15th April.

On Easter Sunday afternoon, all are welcome at Rod and Sally's house for the now traditional-annual Egg Hunt and Easter Quiz, with coffee and Easter cakes, and a time of fellowship from 3.30pm.

And speaking of coffee, we know there are a good number of us who are keen to see the return of tea and coffee being served on Sunday mornings at church. We've not had this in place since our service pattern changed following the covid-lockdowns 4 years ago! A trial run is going to take place during June and July with self-service coffee being available from 10.15am for those arriving for the prayer meeting, as well as having it served in the atrium after the morning service until 1pm. If you'd be keen to help out with this, please get in touch with Frances Ritchie or Gillian Reid.

A request from the Keswick Convention team:

"Can You Help With Our Kids & Youth Team This Summer? By God's grace, we are looking forward to welcoming over 2,500 children and youth to Keswick Convention this summer.

But at this point in the year, we have 5 weeks to finalise the Kids and Youth teams, and we still need to recruit 140 helpers to make sure that we can accommodate all of the young people joining us.

Our Kids & Youth teams are an integral part of Keswick Convention and we are so thankful for the way God provides a wonderful team of talented people to partner with us in this ministry each year.

Could you be a part of this legacy and help us bring the next generation of believers closer to Jesus this summer?

Accommodation and meals are provided, as well as time in the afternoon to have fun and explore Keswick. You can also take a part-time position if you are a parent or have accommodation already arranged! Have a look at <https://keswickministries.org/volunteer/> for more information and our application link"

This message came in on email today: "We have a lovely small flat available for rent, 2 minutes from the station. It has private car parking and the rent is £325 per person per month plus bills. It is freshly decorated and in a safe, clean block on the ground floor. It would suit a professional couple or two single friends/students.

We have always had Christian tenants since our son and daughter studied in Aberdeen, and I would be really grateful if you knew of anyone looking for accommodation who may be interested. We would consider a short term let too. We can provide further details as required."

Do get in touch with the church office if you would like to know more.

Every Blessing,
