Our Roots Bible Study guys very much appreciate Home Bakes to keep them going as they work through their study... February is now covered but if you would be willing to provide some cake or traybake one week in March please add your name to a date on the list on the church website here: [Roots Baking rota](#).

We are also looking for more volunteers to join the Sunday morning coffee team. Contact Gillian Reid or reply to this email if you would like to offer to help!

Hope Explored will continue on Tuesday this week. This is a course for those who are interested in finding out more about what we believe as Christians by looking at the life, death and resurrection of Jesus, and the hope we can have in that. If you are interested in coming along, it’s not too late to join in this time round but we will be running the course again in the coming months - you can find out more and add your name to the list using the Hope Explored page on the website: www.hebronaberdeen.org.uk/hope

Our mid-week activities will all be running in their usual slots next week but Home Groups take a break to gather together for our all-church prayer time on Wednesday at 7.30pm in the church.

The Hebron Weekend Away to Faskally House is planned for 13th to 15th March, with Hamish Sneddon coming along as our speaker for the weekend. This is a great opportunity to get together with others from Hebron in a different setting, enjoy each other’s company and some Bible teaching, as well as the variety of things to do in the Pitlochry area. There are still plenty of spaces for anyone who would like to come along. Accommodation is in rooms of varying sizes – typically one family, or a couple will have a room to themselves and others will be in shared rooms. You can find all the details, and book your space on the church website at www.hebronaberdeen.org.uk/weekend

We are aware that an event like a weekend away is costly. If you would like to come but are unable to pay the full amount please speak to one of the elders as there may be some funding support available.

We were pleased to welcome Carys Friend, one of our students, as a formal member of the church on Sunday 18th January.

If you would like to find out about church membership please do get in touch with Jonny or any of the elders – they would be delighted to talk with you about it.

The Church Annual General Meeting (AGM) is due to be held on Wednesday 18th March. This is an opportunity to hear about and review all that has been going on in the various areas of church life and leadership over the past year. All members are encouraged to attend but the meeting is open to all regular attendees who are also interested. We will have updated Hebron Prayer Diaries available to collect at the meeting as well as the Finance Reports and Annual Activity Reports. (*So this is a reminder for all activity leaders to think about their update for the year and send it to Sally in time for printing on Monday 16th March!*)

Many will have heard that Athol Stephen was called home to be with his Lord on Wednesday afternoon after a short stay in hospital. Athol was a regular attendee at Hebron over many years until he moved into a nursing home a few years ago. Pray for his nieces at this time as they make arrangements for his funeral service. This is expected to be held in Hebron – a date will be publicised in due course.

Every Blessing,
