The Thanksgiving Service for Athol Stephen will be held in Hebron on Friday 27th of February at 11am.

The Church Annual General Meeting is due to be held on Wednesday 18th March. This is an opportunity to hear about and review all that has been going on in the various areas of church life and leadership over the past year. All members are encouraged to attend but the meeting is open to all regular attendees who are also interested. We will have updated Hebron Prayer Diaries available to collect at the meeting as well as the Finance Reports and Annual Activity Reports. (So this is a reminder for all activity leaders to think about their update for the year and send it to Sally in time for printing on Monday 16th March!)

The next instalment of “Missions Today” is attached to this email, with some news from WorldLink in El Salvador, Sergey and Irina, Rod and Debbie, Colin and Elida, Kirsty, and Clare. Please enjoy catching up on their latest updates and pray more specifically for each of them in the coming weeks.

Just a reminder about the upcoming changes to the PVG system, which will require you to provide an email address and ensure that your details are up to date. See below for an extract from the information they provided, with instructions on how to provide any update required:

“From 1 April 2026, individuals who join the Protecting Vulnerable Groups (PVG) scheme will automatically be part of the five-year PVG scheme membership.

Many PVG scheme members will not need to do anything ahead of the move to the five-year scheme.

If you are a PVG scheme member who has not recently applied for PVG (for example, you haven’t applied

since PVG moved online in 2021), it's important that you tell us your current email address. We need this so that we can get in touch with you easily in the future to tell you when you are moving to the five-year scheme and how to create your online account.

Please email dsupdate@disclosurescotland.gov.scot with the subject header 'Email address update', your:

- name
- date of birth
- PVG scheme number
- current email address"

(If you need a note of your PVG scheme number or your date of application please email the church office.)

While we're on the admin side of things - we missed out on our **Annual Data Check** in November so will try to complete it in February instead. Please make sure the details we hold for you are correct, and that you are happy with the information we store and what we display in our online address book (password protected.) The Annual Data Check page is on the website at www.hebronaberdeen.org.uk/data. Thank you for your help!

Every Blessing,
