PARTNER OF THE MONTH: CLAIRE BRODIE

Grace International School

Thailand

The Middle East conflict has caused a fuel shortage in Thailand, making transport difficult for Claire and the students and raising concerns about a return to online learning. At the same time, the “burning season” is causing heavy air pollution, keeping students indoors and affecting Claire as she now relies on a scooter to travel.

Despite the difficulties, Claire is grateful to be there, feels encouraged in her role as Vice Principal, and is thankful for her Principal and the team’s growth.

PRAYER POINTS:

- ❖ Please pray for the rains to come soon and for relief from the smog pollution.
- ❖ Pray for those affected by the fuel shortage, especially those who do not have alternative options of transportation.
- ❖ Pray for Claire as she continues to look for a new church.
- ❖ Please continue to pray for wisdom in supporting two students with particular situations.
- ❖ Please pray for the right people to fill three open positions for the next school year.
- ❖ Pray for wisdom as Claire plans her summer in Scotland, that she would have both rest and meaningful reconnection.
- ❖ Please pray for guidance and strength in planning and leading various events before the end of the school year in May.

- ❖ During March, they travelled around some Eastern Europe countries to share their work and to encourage local believers to make the most of every opportunity to spread the Gospel, emphasizing the urgency of the times. Pray for the outcome of the harvest!
- ❖ Pray for the Easter outreach programs where they are involved. Sergey is scheduled to preach at a joint youth meeting; please, pray for both physical endurance and spiritual strength as they continue their ministry in these countries.

Kirsty H.
Spice Islands

PRAYER POINTS:

- ❖ Please pray for Kirsty and her colleague, Lucy, who were both unwell with a virus a month or so ago, but the virus has left both of them with ongoing joint pain. Pray for the Lord's healing of both of them from those symptoms.
- ❖ Pray, too, for Kirsty's team on the islands. One of the other long-term workers is moving on, leaving just Kirsty and Lucy working in that part of the islands. Please pray for the Lord's help of that long term worker as they move on, and for Kirsty and Lucy's encouragement as they carry on with the work.

Continue steadfastly in prayer, being watchful in it with thanksgiving.
