### **Safety Notice – Please Read!**

It is important that we all remember the area used by the Creche in the games hall during the Morning Service is a Safeguarded Zone, and remains as such until all the children have been signed out by their responsible adult (usually their parent!) This means that no other adults or older children should be entering the area, and the boundary chairs should remain in place until the creche leaders have cleared them once the last of the children has been collected.

For parents of children being looked after in creche, please aim to collect them during the closing hymn - this will avoid being held up in conversation after the service before you get there!

**Fire Evacuation Procedure Session** – There will be a session to ensure that key people are aware of their responsibilities and our procedures in the event of an evacuation of the building. This will be for all chairmen, stewards, deacons and elders, as well as being useful for Sunday School and Creche leaders. Please attend if you are able on Sunday 21st June at 9.30am in the conference room.

We are delighted to give thanks with Linda and Luis on the birth of **baby Victoria**, who arrived on Thursday 4th June, at 9.47pm! Keep them in your prayers as they continue to recover, and adjust to this new stage in their lives.

Every Blessing,
