Spice Islands

UPDATES AND PRAYER POINTS:

- One of Kirsty's colleagues, Lucy, is preparing to go on home assignment for 6 months at the end of the month. Please pray for her as she prepares to leave for a while and for great gospel opportunities for her before she goes. Pray for Kirsty to support her well as she prepares to leave, and for the Lord's help of Kirsty as she prepares to be on her own in that part of the islands for the next 6 months.
- Kirsty and the wider team would love their team to grow and are praying for the right people to join them. Pray that God would put these islands on people's hearts.
- In her work at the hospital, Kirsty and colleagues organised a 2-day training for midwives on caring for low birthweight babies. Praise God that it went well and that 24 came. Pray that they would start putting into practice what they learned and for general improvements to all newborn care.
- Pray for all of the islands team to have opportunities to share the tidings of great joy we have over Christmas.

UPDATES AND PRAYER POINTS:

- Pray for the marriages of believers on the islands- a couple of Christian women whom Kirsty mentors are going through marriage/family struggles.
- A woman known as "Ma Fiona", who had been studying the scriptures with Kirsty and the team, made a profession of faith, which is wonderful. When her family found out, though, they got really mad and threatened to disown her (which is a HUGE deal there). Her dad is a prominent religious teacher and he forbade her to continue following Jesus. Ma Fiona feels she has no choice to return to islam. Kirsty and the team thought that would mean they could no longer study with her but Ma Fiona's husband has asked that Kirsty and the team would meet to study with him, to allow Ma Fiona to be present and listen, without being under the same pressure from her father. Pray for Ma Fiona's dad to soften and also pray for boldness for Ma Fiona to choose Jesus despite the huge cost involved.

Yaimara Medina– Cuba

Over the past three months, Yaimara and the team were able to hold a summer Bible school with children, teenagers, and young people. They estimate that 100 people heard the Gospel, 50 accepted Jesus as their Savior, and 7 were baptized.

A 40-year-old woman who had peritonitis and practiced witchcraft was restored by the Lord, baptized, and the Lord continues to sustain her.

Yaimara goals are to start new cell groups and missions and form new leaders, while personally depending completely on God.

PRAYER POINTS:

❖ Thank God for the work carried out in Cuba through the summer camp.

❖ Pray for all those who have come to believe in Jesus Christ, that they may grow steadily in their faith and bear fruit. Pray also for those who have heard the Good News of the Gospel but have not yet accepted Christ.

❖ Pray for Yaimara and for the provision of a laptop or tablet she needs. Pray also that her husband will come to know the Lord, and that her family will be restored.

❖ Yaimara has also asked for prayer that she may have a child, according to God's will.
